

IMM 2015 in Norway

February 11, 2015

Dear fellow Multihull Sailors,

As announced on the IMM 2013 in Rostock, Germany, The Norwegian Multihull Association hereby invites you to the 20th International Multihull Meeting.

The arrangement will take place in Halden, 23rd to 26th of July 2015. The Norwegian IMM comity will be present from Wednesday the 22nd.

Halden is the Norwegian boarder town as close as you get to Sweden in the south. The city celebrates it's 350th anniversary this year, and has a lot of social and cultural events to offer this summer.

The city of Halden, with the Harbour office, have offered us the industrial quay just west of the ordinary guest-harbour, only a few hundred meters from the center of downtown Halden. All facilities to the guestharbour will be available to IMM-participants.

We have established a web page, containing all necessary information. The address is www.imm2015.org.

On behalf of the Norwegian Multihull Association, we welcome you all to Halden.
